This skills-building class designed specifically to enhance clinicians' efforts to incorporate HIV transmission prevention into the medical care of persons living with HIV.

6 CMEs FREE | 6 Nursing Contact Hours FREE | 0.6 CEU FREE

Learn About:

- Effective screening for behavioral HIV transmission risk factors
- Delivering universal prevention messages
- Providing tailored prevention interventions
- The importance of Partner Services in the care of patients

Achieve These Objectives:

- ✓ Outline a correct approach for screening for STDs
- ✓ Address patient misconceptions about HIV transmission
- ✓ Provide brief behavioral interventions and referrals for more intensive interventions
- ✓ Initiate discussion of the four partner referral options with patients

Continental breakfast & lunch will be provided.

Parking is FREE

The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Centers for Disease Control and Prevention designates this educational activity for a maximum of 6 AMA PRA Category 1 Credits. Physicians should only claim credit commensurate with the extent of their participation in the activity. This activity for 6 contact hours is provided by the Centers for Disease Control and Prevention, which is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditations. The CDC has been reviewed and approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET) 8405 Greensboro Drive, Suite 800, McLean, VA 22102. The CDC has awarded .6 Continuing Education Units (CEUs) to participants who successfully complete this program.
